AMF-BRUNS CASSETTE WHEELCHAIR LIFT K90 ACTIVE

The new side underfloor lift for all active wheelchair users

The K90 Active shown in stowed position. The ultra slim design guarantees ultimate ground clearance.

Close parking spaces are not a problem. It needs only 1m clearance.

The K90 Active gives you market leading ground clearance on curbs.

FEATURES

- » Lifting capacity 200 kg, complies with EN DIN 1756, II
- » Ultra slim design guarantees ultimate ground clearance
- » Automatic barrier operates on uneven roads and snow, too!
- » Powerful, quiet action ensures smooth operation of the lifting platform
